

## Four-legged friends policy

Our location is delighted to welcome your four-legged friends.

Taking your pet on holiday with you is an caring gesture, but one that must be done with understanding. Here are the “ingredients” for a problem-free pet-friendly holiday with your four-legged friends.

- Welcome: The location is happy to accommodate one **small** pet per room, **weighing up to 10 kg**.
- Supplement: A one-off **supplement of €50.00** is required, which includes: a waste bag, a water bowl for your pet and thorough cleaning of the room during your stay and on departure, using appropriate detergents and sanitizers.
- Room cleaning: Guests can arrange a suitable time **for their room to be cleaned** with reception or the Housekeeping department, so as not to disturb their pet. If the dog is left unattended, for safety reasons, our staff will not be able to access the room for the usual tidying and cleaning.
- In the room: Please note that pets **must not be left alone and unattended** in rooms, both to avoid disturbing the peace of the hotel and its guests and for reasons of responsibility. Pets are strictly prohibited from climbing on beds or armchairs. In this case, please bring towels or sheets to cover surfaces.
- In the hotel: In all areas of the hotel, pets must be kept close to you at all times and **kept on a leash** or inside their carrier.

Pet owners are responsible for cleaning up after their four-legged friends around the hotel, in their rooms, in the outdoor areas belonging to the hotel and in common areas.

Upon arrival, a **pre-authorisation** of €500 is required as a deposit for any damage caused to the property or its equipment.

The owner accepts responsibility for their pet and will not hold the hotel, its owners, managers or employees responsible for any incidents involving their pet.
